February Newsletter & What's on in 2024

Hi lovely members,

Sadly, this is the last newsletter that those who haven't rejoined will receive. I thought you'd like to see what we have planned for 2024 to see if we can tempt you back. Remember rejoining is now on all done online through sport 80. Go to the website **britishridingclubs.sport80.com** It's fairly straight forward but any problems get in touch with any of us on the committee or 'contact support' through the website itself.

We held our first committee meeting of the year last week and are all keen, with new ideas to try and give us some fun times with, or without our horses this year. Some of the ideas we came up with are:

- Summer show- back to the traditional showing show classes we used to do.
- Pleasure ride- this has become more popular over last year couple of years.
- Day camps/clinics with new instructors, possibly even some famous ones! Dressage, SJ, XC, TREC.....
- Horsey & country clothing fashion show and shopping fair autumn time.
- A trip to London to meet the Kings Troup, stable tour and watch the changeover.

If anyone has any feedback for these, or any other ideas they'd like us to put on, that would be great, please reply to this email or contact any one of the committee. Also, if anyone is interested in joining the committee, please let us know. If you are enthusiastic and a team player who can help us with as much time as you can give (we all do it alongside family, work, other hobbies), we could do with a couple more members to join us.

Anyone hoping to compete at area please see on last page details of new vaccination and body protector rules that apply from January 2024
